A medical abortion is effective with a success rate of 99% meaning most of the women who terminate the pregnancy in the first weeks of the pregnancy have no side effects and heal very well. CALL OR WHATSAPP 071 785 2514
we will schedule a follow-up appointment with you or encourage you to see your primary doctor after your abortion. It is important to keep your follow-up appointment in order to help prevent possible infections. Your doctor will give you instructions on how to care for yourself after your abortion. Be sure that you carefully follow your doctor's instructions. Your period should return for some days after the abortion, and be aware that you can get pregnant again soon after the abortion. Abortions are safe as long as they are performed by a legal professional and Registered Abortion clinic.
