## Vintage Valve Radios X 10 (30000 R)

Location Gauteng, Centurion https://www.freeadsz.co.za/x-109912-z

I have a selection of table top vintage radios which have been collected over the years. They are all in good condition however I am not sure if they are working and have not tested them. Includes various names and most are Bakelite. These are sold as a group together and not individually. Please feel free to call me for.
