I have a DEFY Gemini Eye Level Double Oven AND a DEFY Gemini Glass top stove Hob for sale at Give-Away Price of only R 1000.00 for both. The Glass top Hob is working on all plates but one of the heat adjusting knobs needs to be replaced.

The Eye Level Double Oven needs some attention as a element seems to be broken, and needs replacement.

I have in the past week installed a new DEFY stove and Gemini Oven and the replacement cost of the above is more than R 12 000.00.

I live in the east of Pretoria. Dr. Ralph Sorensen. Call
