AGV Valentino Rossi motorcycle helmet. This is his famous Sun & Moon design from 1999. Overall in good condition, some nicks and scratches but not bad considering its age. The closing strap has some cosmetic issues but nothing that affects the closing mechanism. The front lower ventilation opening has the black cover missing, looks cool nevertheless. Mainly for the collector but suitable for everyday use. Size is a 60, Large. Pictures are of the actual item up for sale. Please call or email me. Andy 0780508333. NO SMS's WILL BE!
