I only wore my wedding dress once on September 2015. It is designed by bride&co and is made out of 100% polyester and 100% nylon and beaded decorations. I am the only owner of the dress and it is still as new. It is sleeveless and strapless. I only wore a long sleeve top underneath it. It is a size 16-18 and can be altered to fit. It is professionally dry cleaned. I am willing to add the petty coat for free. The price can be negotiated.
