DESCRIPTION

The 30 cm Electric Frying Pan is one of our most popular units due to its versatility! Use it to roast, bake, steam, braise, stew, poach, saut   or fry food. It's also a convenient unit for transporting food inside and reheating at your destination, due to it  s electric functionality.

Also a perfect unit for when the stove top is full and you need more space for cooking in the kitchen.

Perfect for roasts, one dish meals, and casseroles. The larger base makes it easier to saut  large quantities of food while still maintaining the heat. Think pilafs, stir-frys and paellas. Added to this, AMC's electrified cookware also uses less electricity than conventional cookware â€“ ensuring you'll save costs in the kitchen.
