Semi retired mature quiet lady working from home require a sunny garden unit with space for queen bed in bedroom, living/kitchen area and bathroom with washing machine space. Outside space needed around the cottage for my patio furniture, prize T-roses in pots as potplants, braai etc plus off street parking.

I have two mature neutered male cats that mind their own business.

I am independent plus I also write therefore require a normal but quiet nighbourhood. Property must be within walking distance to public transport please +- few blocks. I walk a lot to stay fit.

Have always been in semi caretaker position and require long term rental.

I am including my current cottage pics to show what I more or less need.

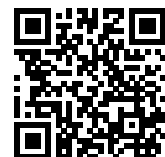

Kindly please contact me should you have a cottage that needs a good caring reliable tenant with good long standing....
