Breitling Chronomat Windrider Chronograph Watch Calibre B13051.1 1998 Model 18K/Stainless Steel - Excellent Condition

Beautiful Breitling Chronomat Windrider Chronograph With 18Kt Gold/Stainless Steel Pilot Bracelet in excellent original condition.

Keeps very good time for a mechanical watch, as would be expected from such a prestigious Swiss brand. Waterproof to 100M. However with any watch of this calibre it is not recommended to shower wearing it, because metal expands in hot water.

Two Tone, Steel and 18Kt Gold Pilot bracelet with flip-lock clasp, unidirectional rotating bezel, unique blue and gold numeral dial, automatic (ETA Valjoux 7750), 12-hour chronograph, screw-down crown, Anti-glare sapphire crystal glass. Ref. B13050.1, ca. late 1990's, 39mm, in excellent condition.

No box or papers. However, can be validated as genuine at Sandton Jeweller, if required.
