Create seamless mixes that'll have dancers spinning on the dance floor.

The Gemini CDM-3600 is a dual-CD mixing console that's compatible with audio CD and CD-Rs. It features an attractive face with a large blue backlit LCD display and contains two selectable jog modes: Pitch Bend and Search. It also features instant-start, cue with preview, fader-start capability, single autocue/continuous play modes, and an anti-shock feature that uses RAM buffer memory. The Gemini DJ mixer allows one seamless loop per side with reloop and pitch bend via jog wheel or buttons with \pm 16% range.

The mixer has a 3-band EQ with gain control, balanced XLR outputs, a 1/4" headphone output, XLR and 1/4" mix inputs, and auxiliary phono/line.
