Samsung 3D Sound AVE Receiver (5.2CH). This is truly a beautiful sound system. You get 4 speakers and 2 subwoofers and the amp and all cables. The system plays really loud. This is my pride and joy I do not want to sell it but have to as I'm moving to a smaller places and there is no place for the surround sound. There is nothing wrong with it 100%. The price is negotiable please call me on 0725756353 or whatsapp
