This is my flagship laptop of my set of 3 HP laptops (2 x pavilion dv7 (17") & dv6 (15")). The HP Envy 17 is big on power and big on storage with a powerful Quad Core Intel i7 processor and 16GB of RAM, together with a 2TB hard drive providing the biggest and baddest full HD 17" experience there is. It comes with a Targus laptop bag that is as durable and as good. Interested? Please respond by e-mail, sms or whatsapp to contact.
