R2500. Pioneer 1000watt svc subwoofer, 2x sansui 1500watt amplifiers 2 ohm stable, Starsound 7 band paramic equalizer .

Haven't used one amp it's brand new and the equalizer as well brought it 07/06/2016, so comes with guarantee.

Tried to use equalizer after installation then took RCA cables out.

Would like to let it go as a set if.
