The very latest in Tech has arrived, the â€˜SMART LAMPâ€™.
 Be the first in RSA to own ONE !!

 Personalize your lighting and background music via your smartphone to suite your every mood. Select from a colour palette of over 64,000 colours. Turn any light socket in your house into a Bluetooth speaker. Automatically have the bulb change colour to music. Play music through the speaker from any source - Pandora, Spotify, YouTube and more.

 The LED Bulb has a unique and exclusive two-in-one design been an App controlled SMART LED bulb with a built-in Speaker. The E27 socket offers easy installation and is compatibility with all E27 Edison Screw type fittings. Simply switch off the power, screw out your old bulb and screw in the new SMART LAMP. Download the App link the SMART LAMP to your phone via Bluetooth and off you go, simple as that! App details and QR code are enclosed in the instructions.

 App support for both Android and iOS (Apple) meaning basically any smart phone will control it.

 The wireless Bluetooth speaker of LED bulb supports a transmission range up to 10m, Bluetooth 4.0+ EDR (enhanced data rate) and purity and definition of particular voice based on DSP technology
