This listing is for a stunning Bugaboo Cameleon 3 pushchair. The base fabrics are in black. The hood and pram apron are in sand and are in great condition with no fading, marks or damage. The base fabrics are also in very good condition, with no damage or obvious signs of wear bar a small amount of fading to the basket, but this is not noticeable when in use.

Included in this package is the standard set up from bugaboo - chassis, wheels, seat frame, bumper bar, carrycot fabric, seat fabric, basket, tailored fabric set, strap pads, and raincover. Also included is a brand new beige and white stripy knitted blanket, and a brand new Bugaboo Cupholder.

To complete this package for your newborn there is also included a Maxi Cosi Pebble infant car seat, Group 0+ in beige/sand. It is fully cleaned and in immaculate condition. It comes with the adapters required to fit the seat to the chassis of the Cameleon.

The wheels are in fab condition - the back wheels have plenty of tread left. The front wheels are also in good condition with very little wear, and are functioning perfectly. The suspension is perfect and the wheels drive smoothly with no squeaking or stiffness.

The chassis is still really tight, and handles and steers like a dream. It is in great condition. There are just a few very small superficial scratches dotted around the frame, and just a small deeper scratch on the side that you often see on used Cameleons due to folding. The plastic surrounds by the wheels have

some very light scuffing, but as you can see from the photographs this is not very noticeable when in use. The bumper bar and carrycot are in great condition with no damage. The pushchair has been cleaned extremely thoroughly. The raincover has been taken off, and the hood has been cleaned, and the wheels have been completely stripped down, bearings checked, then scrubbed, treated with tyre gel and lubricated with silicone spray. The chassis has been cleaned and polished with specialist metal and plastic polish. The brakes and other moving parts have been serviced and sprayed with silicone. The wheels have even been ground a little with a toothbrush. Seriously, it is spotless!!
