2014 Benelli 600 Cafe Racer for sale.

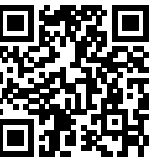

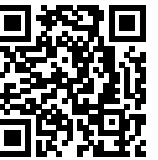

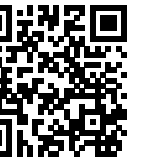

A chance to own this iconic ITALIAN BEAUTY. She is a real eye catcher and brings smiles of awe everywhere she travels. This Benelli is a reliable bike and provides a comfortable yet fun ride. The bike was recently serviced at 17000km by a Benelli agency and every part is in a great and working condition.

Custom touches on the bike include Carbon rear indicators, carbon accents around the bike, pin red accents and pin striping on the rims. The best feature is almost certainly the Ducati exhaust pipes that provide an unique and head-turning sound.

I have also put on a brand new set of Pirelli Diablo Corsa Rossi tires that go for approximately R6500, which has 75km on them. Also included in the deal is a spare front Metzeler tire with about 80% tread on it.

A thrilling bike to commute with which does not break the bank with an average fuel consumption of 21km/l. All paperwork and roadworthy is up to date.

Do not miss out on the opportunity of owning a beautiful piece of Italian Engineering.
