1192sqm fully serviced stand for sale in the up and coming estate, Summer Place. This is one of the few waterfront stands in this estate and its large in size.

Summer place is the only estate in the area with a running sewerage system and recreational area (to be built). The estate offers great security for your peace of mind, beautiful surroundings, some buck and beautiful birdlife. There is a beautiful inland dam where you can enjoy your days catching bass (catch and release) or you can fish from the fishing island in the main dam (or your back yard). There is also a canal flowing through the estate to add to the beauty of your new home.

This is a steal at this price and will go...!!!
