Suzuki DR 500 to swop for yamaha blaster or Itz 400 or any offers. The bike is in amazing condition with a performance carb and air age echaust system and also it has a pro taper handlebar. Rides like a dream and has new tires as well. I want to swop because i want a nice four wheeler to play. The bike is very strong and sounds amazing. It has a small oil leak on the tappet cover gasket and also the petrol tank tap drips a bit. Further no probs with the bike. Please whatsapp or phonee me on
