Finance available from all leading banking institutions

The Avant series offers you a huge variety of functions and attachments, some being: Skid steer alternative, mini articulated loader, mower, sweeper, rough terrain forklift, telescopic handler, mini loader, mini digger, mini tractor, mini excavator, front end loader, mulcher, rotavator, backhoes, wood chipper, auger, concrete mixing bucket, hydraulic breaker, cutter crusher, rotary hoe, telehandler, Kubota tractor, Kubota TLB.

Ideal for farming, landscaping, digging, clean-ups, construction, excavation, rubble removal, agriculture, cleaning, mining, public maintenance, DIY on the farm or plot, all terrain forklift applications, general loading purposes, perfect for the golf course or horse arena.

Versatile Compact Loader: One of the advantages is that you can do many jobs with one single machine; earthmoving, moving of materials, loading and unloading, digging, levelling, milling and even pacing. The AVANT 600 is just the right machine for all your needs.

Ideal Loader for Landscaping: The AVANT 600 Series is strong enough to handle heavier loads like store pallets, big bags, etc. On the other hand, it is light enough so that it doesn't damage lawns, paving and other surfaces. The compact dimensions of the AVANT 600 means it can work on any site, and it is easy to transport on a trailer from one work site to another.

Multi-purpose Machine for Farming: The AVANT 600 Series combines high work efficiency and smoothness of operation. The biggest AVANT can easily tackle the typical tasks on a farm, but is still compact enough for it to be used in buildings that other machines are unable to access. On many farms AVANT can replace a conventional loader. The AVANT boasts features like smoothness of operation, agility and.
