Bed (medical) - State-of-the-art bed with remote control to adjust back, legs and feet. Also height adjustable and on wheels. As new. Specialised mattress (in mattress protector) for superb support and comfort. Effective in helping a person get up and to lie down without excessive strain on the body. It was as only used for two years by a meticulous lady who looked after it with great care.

Ideal for a person who needs to spend hours in bed a day. Perfect for watching TV, etc.

The price of the bed excluded the mattress. The mattress was bought separately for about R4,500. It is currently kept in Kroonstad in the Free.
