ELEPHONE S7 ANDROID PHONE

The Elephone S7 is a beautifully designed sleek Android phone that lets you enjoy all the latest Android features. It runs on Android 7.1, meaning that it effortlessly tackles all the software features of your liking. With access to the Play Store, you can easily download all the games, Apps, and films of your liking. With its Deca-Core Helio X20 processor and 4GB RAM, this Android phone is capable of handling even the most demanding software out there. Whether you wish to play a game, watch a movie, or enjoy an App

this smartphone is sure to meet all your demands.
 The Elephone S7 features a 5.5-Inch Full-HD display that has been created to offer a 640p resolution. This will offer you a great visual experience anytime you light up your device. The display itself can be turned off when you are not using it to save power. The phone also has a 13MP camera that lets you shoot breathtaking images and 4K video of your next holidays and adventures.
 The Elephone S7 also has a high-end 3MP camera that lets you shoot breathtaking images and 4K video of your next holidays and adventures.

In terms of connectivity, this beautiful android phone comes with Dual-SIM card slots and two IMEI numbers. It lets you slide in two SIM cards and allows you to stay connected to both at the same time.
