Between international Buyers and African stone Suppliers and to also engage Buyers in buying African products. We make sure that Buyers understand the Stone Industry and buy the right products from professional manufactures, suppliers and fabricators in Africa.

We provide Buyers with verified fabricators and we display all sorts of stones (products) directly to the Buyers in each and every country, province and city. We provide Buyers requesting Service Providers with our registered companies. If a Supplier or fabricator breaks the rules of Customer Service Delivery, we remove the supplier from our data base until otherwise. We do all the marketing of the products to all

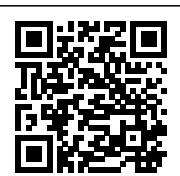

Buyers channels and if we receive buying request, we will then forward to the nearest Supplier registered in the area. We will negotiate and prize value for the Buyer. If there are more than one Supplier in the area, we will forward them the request and the Buyer can Service Provider will bet on it and represent to win the order. We are not responsible for the Buyer's decision on the Supplier and Buyer. If we will start a complaint, we will improve our Service providers customer care.

Companies that may register with us are all quarry miners, fabricators and stone installers. We will market all products from Stone blocks to finished products eg. granite blocks, gravel stones, granite slabs, tombstones, ties, bricks and all stone products. All you need to do is fill in the application form on the next page and you start getting our daily Buyers request and the contact details. Send us your products for display and we will back up with showrooms soon so that Buyers may visit and see the finished products Africa wide and abroad. We aim to save all Buyers with right Service provider and
