

# 1000W amp 2400W Wall Mounted Off Grid Solar Inverter from R5 690 incl VAT (5690 R)

Location **Gauteng, Johannesburg**  
<https://www.freeadsz.co.za/x-31599-z>

Price includes VAT and is subject to change without notice. Price excludes installation.

East Power Africa has approved installation companies in major cities.

Model: GF1000 / GF2400

EAST (Guangdong East Power Co.,Ltd) was established in 1989 and is one of the top-leading power supply manufacturers in China.

EAST customizes products to meet different international standards and specific client requests.

East Power Africa is operating from Boksburg, Gauteng and caters to both end users and commercial users, providing them with a variety of solar products.

GF series products are on the basis of green energy use and equipment electricity need for remote area, combing the electricity characteristics of household appliances, communication station equipment and computer peripheral equipment. They have the function of energy conservation and environment protection. They adopt MCU control technique, having various kinds of function such as multi-setting mode, MPPT control and voltage stabilization on line; short-circuit protection, inverter frequency adaptive, output overload, batter charging management, monitoring etc. GF-series products are the ideal power supply delivered with excellent performance, high stability, high reliability and practical applicability.

Features:

- â—• Multi-setting
- PV priority mode or AC priority mode
- Choose the charging current based on the configured capacity of the battery
- â—• High reliability: Double MCU digital control

- Independent MPPT (Maximum Power Point Tracking) control microprocessor system

- Intelligent inverter with microprocessor control system

- Intelligent and advanced inverter technology

- LED display

- High output rate

- High-speed synchronous conversion

- Friendly alarm system

- Overload protection function

- Frequency auto adaptive

- Intelligent No-load auto shutdown technology (optional)

- Intelligent monitoring (RS232, USB, or GPRS card,)
