

# 3000W - 8000W Off Grid Solar Inverter from R22 100 incl VAT (22100 R)

Location **Gauteng, Johannesburg**  
<https://www.freeadsz.co.za/x-31600-z>

Price includes VAT and is subject to change without notice. Price excludes installation.

East Power Africa has approved installation companies in major cities.

Model: GF3000 / GF4000 / GF5000 / GF6000 / GF8000

EAST (Guangdong East Power Co.,Ltd) was established in 1989 and is one of the top-leading power supply manufacturers in China.

EAST customizes products to meet different international standards and specific client requests.

East Power Africa is operating from Boksburg, Gauteng and caters to both end users and commercial users, providing them with a variety of solar products.

GF series products are on the basis of green energy use and equipment electricity need for remote area, combing the electricity characteristics of household appliances, communication station equipment and computer peripheral equipment. They have the function of energy conservation and environment protection. They adopt MCU control technique, having various kinds of function such as multi-setting mode, MPPT control, voltage stabilization on line; short-circuit protection, inverter frequency adaptive, output overload, battery charging management, monitoring etc. With display of LCD and LED, all the parameters and running status could be visible. Intelligent monitor is available via RS232 &USB connecting with PC, while remote control via RS485 &SNMP. EA-GF series products are the ideal power supply delivered with excellent performance, high stability, high reliability and high practical applicability

Features:

• Multi-setting

• PV priority mode or AC priority mode

• Battery charging mode based on the configured battery

• High reliability MCU digital control

• Constant MPPT (Maximum Power Point Tracking) to process energy

• Intelligent inverter control process

• Isolated and pure sine wave technology

• LCD + LED display

• Wide input range

• High speed synchronous conversion

• Friendly alarm system

• Online protection function

• Frequency auto adaptive
