

# Cast Iron Roll Top Plunger Bath (12500 R)

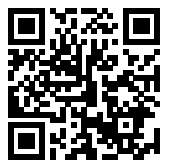

Location **Gauteng, Moot**

Newly enamel bath. Never installed after enamelling was done. One leg is different to other three but does fit on bath. Tub size is about 1.9m by 0.8m and too big for my bathroom. Note that there are no taps or plunger included. The one photo shows what it would look like with period correct taps and plunger. This is a very old bath and possibly a one-of-a-kind in South Africa still.
