This house is perfectly situated on a game reserve about 25km away from shopping malls in the Pretoria north area. Apart from a large stoep perfect for entertaining guests it also has a built in trampoline outside for the kids to enjoy themselves in the bush. The plot is 3 ha in size and the nearest neighbour is about 250m away which allows privacy and the enjoyment of viewing animals such as zebra, giraffe, kudu, jackal and impala drinking at a private waterhole 50 m from the house.

The plot is part of a 300 ha game reserve with secure access at the gate and regular fence patrols around the farm. The neighbourhood watch offers an excellent added security service and all owners can slot into the communal radio communication system. There is covered parking for two vehicles next to the house with ample space for visitors in front of the house.

What makes the property unique is the ability to go for long walks in the bush through the farm without the disturbance of city life and people whilst still being close enough to access all the goods the city has to offer.
