The Alt TV box costs R2500 and that is no monthly fee , no more payments.

Alt TV the alternative way to watch T.V (watch the latest movies that are in the cinema and series that have come out from the beginning up to know when you want to not when someone else lets you)

Ok , What is Alt TV ? , well to put it simply it's a computer that connects to your T.V and internet and allows you to watch internet links from all over the world. Movies , series, news , kids programs , sport , music and lots more well actually 1000s of different channels.

ALT TV does not control what links and programs are on the internet it just gives you a simple path to get to them. This is not a pay per month product as the links are out there and we can't stop what is on them but you can decide what you want to watch.

You need a internet speed of no less than 4mbps

You can take your Alt TV box with you on holiday or to friends and its simple and small.

You pay a once of fee of R2500 and that it no monthly fees and the box is yours. Once you purchased your AltTV box you can sell to your friends and family and then you will make R500 per box sold so you can cover the cost of your own box with selling to family and friends if you want.
