2011 Renault Logan 1.6 Expression - Pearl White - 85600 km - Renault Logan is lacquered in metallic paint, the steering and windows are powered, airbags and ABS are all in, and for your entertainment thereâ€™s a CD/MP3-playing device. Under the pancake-flat hood resides a 1.6 litre fuel injected engine willing to churn out 66kW and 128Nm, blitzing the Logan from standstill to 100km/h in 11.5 seconds.

The allure of a sedan for under a hundred grand is strong. That it also has a watered-down French connection and price-based international success as bragging rights means it should be the right kind of car for these tough economic times. If the only brief was for a well equipped car providing affordable A to B transport for families who desperately need acres of boot space, then the Logan is as authentic as anyone could hope.
