Bike was used for commuting to work and back everyday. I am looking at getting a Blade so this needs to go.

The bike is in a excellent running condition and was serviced 4000KM back.

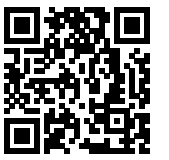

The bike has on:

- * PUIG Frame Sliders.
- * PUIG adjustable/foldable brake and clutch levers.
- * Domino Super Soft Grips
- * BMC Life long Airfilter (Original OEM also available)
- * Rear Seat Cowl, and Rear seat

The bike comes 2 brand new OEM sets of spark plugs and 3 Brand new OEM Oil filters, sump washers included. I also have a set of SBS Sintered Rear brake pads that can go with. I will also include a soft copy of the Service manual of the bike.

The bike has new SBS Sintered Brake pads in front. Bridgestone Hypersport S20 Evo tyres front and back +-4000km on them.
