Frame protector / sliders for MV Agusta B3 800, also fits other Brutale/ Dragster 2012 and up. Modern high quality ergal design

MV Agusta Corse Code: SPPTA001B3

Imported from Italy.

Left side pristine, right side scratched from one fall. Cost me approximately R3500 new.

This was by far the best investment I made for my MV with front and back wheel sliders (also for sale) saved tens of thousands of Rands when I dropped my bike. Design is much better than frame bobbins also protects.
