180cc Bajaj Pulsar DTS - 1(jaar model - ontseker) is swart van kleur en in n baie goeie lopende toestand. Ek het 9 maande gelede cluches vervang n nuwe voorband op gesit ketting en ketting ratte vervang,n nuwe battery laat in sit en ander klein probleempies laat reg maak by Bike grazy in Montana. Hy is baie lig op brandstof en gee tot 34km/liter as hy mooi gery word. Hy is perfek vir werk toe en terug ry. Omdat hy so min gery was kort dit weer n battery maar het n kick starter. Hy het ook n 20lt brandstof.
