

# Ultimate Home amp Family monitor (979 R)

Location **Gauteng, Johannesburg**  
<https://www.freeadsz.co.za/x-54318-z>

## The ultimate monitor for your home and family

An Intelligent Camera allows you to:

- View live video & listen to audio from your home instantly from anywhere in the world using your Android phone, tablet, Apple phone, iPad, Windows PC or a laptop. Video is in HD 720P quality.
- Speak through the Intelligent Camera to people in your home from anywhere in the world using your phone, tablet, iPad, PC or laptop
- Move the Intelligent Camera left or right as well as up and down within seconds from anywhere in the world by simply swiping your phone, tablet or iPad screen in the direction you want to see. See everything in your home in every direction.
- Detect intruders in your home & be notified on your phone, tablet or iPad in seconds with pictures of the intruders no matter where you are in the world. The Intelligent Camera can also automatically begin recording video with audio as soon as an intruder is detected.
- Automatic night vision mode enables you to view your home even in complete darkness or poor lighting conditions.
- Take high resolution pictures of your home or the people in it through the Intelligent Camera from anywhere in the world using your phone, tablet, iPad, PC or laptop. Instantly available
