It is still new and has never been used.

The Le Morgan Digital Convection Oven roasts, broils, bakes, steams food perfectly. It cooks food in less time than the average convection oven.

This convection cooking without the expense of installing wall units. Easy to operate, just set time, temperature and fan speed. Hot air circulates around food, therefore, the food cooks evenly. Meat sears quickly on the outside, sealing juices on the inside. Hot air circulation makes baked food rise
